

OH&S

"When all else fails read the instructions"

1ST EDITION 2008

SECTION I

SECTION I - OH&S

I1 General Notes

Ecobrick supports and encourages compliance with state and national occupational health and safety legislation and recommends all users of our products refer to their local requirements prior to working on a building site.

I2 Material Safety Data Sheets

The MSDS's for ecobrick and the associated Builders Choice AAC cement and Thin Bed Mortar can be downloaded from the home page on our web site www.ecobrick.com.au.

I3 Occupational Health and Safety (OH&S)

The Western Australian Occupational Safety and Health Act 1984 has a description that succinctly describes the intent of workplace safety.

Safety and health at work

The *Occupational Safety and Health Act 1984* aims to:

- promote and secure the safety and health of people at work;
- protect people at work from hazards;
- assist in securing a safe and hygienic working environment;
- eliminate, reduce and control hazards;
- encourage co-operation and consultation between employers and employees;
- provide for the formulation of policies and for the co ordination of the administration of laws relating to occupational safety and health; and
- promote education and awareness of occupational safety and health.

Source: Section 5, *Occupational Safety and Health 1984.WA*.

I4 National

We recommend using the Australian Safety and Compensation Council web site as the main reference for both state and national information as the web site has links to each state for their specific legislation and guidance.
